

PROFESSIONAL SCHOOL COUNSELING CERTIFICATE

Program Description

The Professional School Counseling certificate program is being proposed as a post-graduate level program. It will be available to individuals who are seeking to meet certification requirements for the TEA School Counselor Certificate and have completed a 48-hour counseling master's degree program (not a school counseling emphasis) from an accredited institution of higher education that was accredited or otherwise approved by an accrediting organization recognized by the Texas Higher Education Coordinating Board.

This program does not lead to certification by the Texas Education Agency at this time.
