ADMISSIONS

The student transferred from an accredited Texas private institution of higher education or an accredited out-of-state institution with acceptable college-level course work determined by the receiving institution. Texas A&M University-Corpus Christi has elected to use the following course work with the grade of A, B, C, or Pass/Credit to meet the following standards: Texas A&M University-Corpus Christi considers itself to be an advocate of opportunity, particularly for those persons residing in the South Texas Region. Accordingly, the admission standards and policies of the University have been designed to identify students who show potential for academic success.

Undergraduate Admission

There are eight categories of undergraduate admission to the University:

- Regular Freshman Admission
- Conditional Freshman Admission
- Transfer Admission
- Transient Admission
- International Admission
- Postbaccalaureate Admission
- High School Dual Enrollment
- Readmission

These categories and their associated requirements are described below.

Applications to Texas A&M University-Corpus Christi through any of the eight admission categories will be processed only after all required documentation and fees have been received. An application is considered to be complete only when the Office of Recruitment and Admissions (http://admissions.tamucc.edu/) has received all required documentation, including completed application forms, required test scores, and any other information or fees specifically required. Incomplete applications will not be processed.

Completed applications are processed as they are received, and applicants are usually informed of their admission status within three to four weeks.

Application materials and information concerning all aspects of the admissions process may be obtained directly from:

Office of Recruitment and Admissions
Texas A&M University-Corpus Christi
6300 Ocean Drive, Unit 5774
Corpus Christi, TX 78412-5774
Telephone: (361) 825-2624

Prospective students are strongly urged to apply early.

Application Fee

Applicants applying or reapplying to Texas A&M University-Corpus Christi are required to pay a non-refundable application fee of $40. The fee may be waived only in exceptional cases for applicants with financial hardships. An applicant in such circumstances should request his or her high school counselor, financial aid officer, or social worker to submit a letter verifying the need for a waiver with the application for admission. Applications submitted after the published deadline for the intended semester of enrollment will be assessed an additional $10 late application fee.

Applicants who are not U.S. citizens are considered through International Admission. For international applicants, the nonrefundable application fee is $75.00, paid in U.S. currency. Applications submitted after the published deadline for the intended semester of enrollment will be assessed an additional $10 late application fee.

Freshman Admission Procedure

Application and Transcript Submission

A student may apply for admission by completing the ApplyTexas Application (for U.S. Freshman Admission) online at www.goapplytexas.org (http://www.goapplytexas.org) or www.tamucc.edu (http://www.tamucc.edu). Upon completion of the application, an applicant should submit appropriate application fee to Texas A&M University-Corpus Christi. The student must request his or her registrar to

1. send an official final transcript indicating grades through the applicant’s junior year and his or her class rank and
2. confirm the courses that will be completed through the senior year.

Any student who has already graduated from high school at the time of application must furnish an official transcript, which includes the date of graduation, class rank, and grades for all courses taken and the official high school graduation plan. To be considered official, a transcript must bear an original signature of a school official and/or the school seal. Applicants should submit the application, transcript, application fee, and any supporting credentials directly to the Office of Recruitment and Admissions.

Testing

Submission of standardized test scores will be optional for first-time freshman applicants. Instead, Texas A&M University-Corpus Christi will utilize the combination of the student’s high school class rank and GPA. Students may still submit SAT and/or ACT test scores for admission; this will not give the student any advantage or disadvantage.

Applicants must take either the Scholastic Assessment Test (SAT) or American College Test (ACT). Students are encouraged to take the SAT or the ACT during the spring of their junior year in high school. However, scores from tests taken later are acceptable if submitted by the freshman admission deadlines.

The SAT and ACT are offered at conveniently located testing centers throughout the United States and in major cities in many foreign countries. Testing dates, locations, and fees required are described in the information bulletin, which may be obtained from the student’s high school or accessing the College Board website at https://www.collegeboard.org/, or by accessing the ACT website at https://www.act.org/.

When registering, designate that the results be sent to Texas A&M University-Corpus Christi by the testing agency. Test scores may also be submitted on the official high school transcript. Test scores are not official and will not be accepted unless furnished in these manners. For Texas A&M University-Corpus Christi, the SAT code is 0366 and the ACT code is 4045.
Admission Requirements

State of Texas Uniform Admissions Policy

Texas Education Code (TEC) 51.803 – 51.809 requires all first-time freshmen seeking admission at a public four-year institution in Texas to satisfy one of the following college readiness standards in order to be eligible to be considered for admission.

- Successfully complete the Recommended or Advanced/Distinguished high school programs or a pre-college high school curriculum equivalent in content and rigor; or
- Satisfy ACT College Readiness Benchmarks (English- 18, Reading- 22, Mathematics- 22, and Science- 23); or
- Satisfy SAT College Readiness Benchmarks of a 480 on the Evidence-Based Reading and Writing (EBRW) test and a minimum score of 530 on the mathematics test.

Undergraduate Admission

There are eight categories of undergraduate admission to the University:

- Regular Freshman Admission
- Conditional Admission
- Transfer Student Admission
- Transient Admission
- International Student Admission
- Postbaccalaureate Admission
- High School Dual Enrollment Program
- Readmission

Regular Freshman Admission

Freshman applicants are those citizens or permanent residents of the United States who have not been enrolled in any college-level institution except while still in high school or during the summer immediately following high school graduation and before enrolling in Texas A&M University-Corpus Christi for the subsequent fall. Freshman applicants are also called “first-year” applicants.

The best predictors of academic success have been a combination of high school class rank, high school grade point average (GPA) and standardized test scores. A student’s high school class rank and GPA result from ongoing opportunities to demonstrate capabilities in familiar situations, whereas standardized tests use objective measures for gauging academic potential. Regular Freshman Admission is based upon the combination of these factors.

Applications are reviewed to ensure that applicants present the basic academic preparation required to pursue study at this University. Students who seek admission into Texas A&M University-Corpus Christi must successfully complete the Recommended High School Program, the Distinguished Achievement Program, or another pre-college curriculum that is equivalent in content and rigor to fulfill the academic preparation requirement.

The units of study and acceptable high school courses are:

</tr>
</tbody>
</table>

Mathematics (at the level of Algebra I, Geometry, Algebra II and a higher math)
Social Studies (which includes Economics)
Foreign Language (in one foreign language or American Sign Language)

Students who have graduated in the top 25% of their high school classes and who successfully complete the required pre-college curriculum are admitted without minimum SAT or ACT score requirements. Students who have graduated in the top 25% who have not successfully completed a required pre-college curriculum or an equivalent are required to satisfy the automatic admissions standards outlined in Texas Education Code 51.000, including earning a minimum SAT of a 480 on the Evidence-Based Reading and Writing (EBRW) test and a minimum score of 530 on the mathematics test or satisfy ACT’s College Readiness Benchmarks on the ACT assessment.

The following requirements linking high school class standing and minimum SAT/ACT scores will apply:

Freshman Admission Priority Application Dates

To ensure full consideration, the ApplyTexas Application, application fee, required transcripts, and any supporting documentation must be in the Office of Recruitment and Admissions by the following priority dates:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall Semester</td>
<td>July 1</td>
</tr>
<tr>
<td>Spring Semester</td>
<td>November 1</td>

</tr>
</tbody>
</table>

Completed applications received after the deadline date but before the beginning of regular registration will be processed as received.

Conditional Freshman Admission

Those students who do not meet regular admission requirements may be considered for Conditional Freshman Admission. The Undergraduate
Admissions Committee will convene early Spring semester to review applications for consideration. In addition to reviewing the student’s class rank, GPA, standardized test scores, and high school courses, the committee will consider other factors such as participation in extracurricular activities, including evidence of leadership; community service; talents and awards; extenuating circumstances; and employment, internships, and summer activities. International students cannot be admitted under Conditional Admission.

Applicants are considered under this procedure on a case-by-case basis. Students admitted under Conditional Freshman Admission will be subject to specific enrollment conditions based on the applicant’s individual circumstances. These conditions may include enrolling in prescribed developmental course work, participating in tutoring sessions and other academic support activities, and meeting other conditions designed to promote academic success. Subsequent admission reviews will be conducted on a case-by-case basis contingent on the submission of new academic credentials that demonstrate the student’s admissibility into the University.

Exceptional Talent Policy

Admission based upon exceptional talent provides an important pathway to higher education for students who do not meet regular admissions criteria but who have outstanding abilities and/or experience. Accordingly, a select group of applicants may be considered for admission because they possess exceptional talents that are important to the intellectual vitality, prestige, and diversity of the university community. Areas identified for consideration under exceptional talent admissions include outstanding achievement in intellectual or creative endeavors including the visual and performing arts, communications, athletics, and other experiences that demonstrate unusual promise for leadership.

To determine eligibility, a student must document for the Undergraduate Admissions Committee his or her talent through an audition, portfolio, videotape, or written evidence of exceptional performance. Three written recommendations from individuals who are knowledgeable about the student’s performance in his or her talent area are required. In the final selection of these students, the Undergraduate Admissions Committee must also take into consideration the academic record of each applicant to determine his or her potential to graduate in a timely manner and successfully complete his or her academic career. Applications considered under the Exceptional Talent Policy will be on a case-by-case basis. Students admitted to the University by way of their exceptional talent may be required to take additional leveling courses at the request of the Undergraduate Admissions Committee.

Transfer Admission

It is the goal of Texas A&M University-Corpus Christi to maintain a transfer-friendly reputation. Students who have earned 24 or more transferable semester hours of credit and who wish to transfer to the University must have a minimum cumulative grade point average (GPA) of 2.0 on a 4.0 scale. Those students who wish to transfer with fewer than 24 transferable hours of credit must have minimum cumulative of 2.0 on a 4.0 scale and must also satisfy the regular freshman entry requirements. A transfer applicant may not disregard his or her college record and apply for admission as a freshman. The following additional rules also apply.

1. The applicant must provide official transcripts from each college or university attended. To be considered official, the transcript must bear the seal of the granting institution and must be submitted to Texas A&M University-Corpus Christi by the granting institution.
2. No remedial or duplicate credits may be transferred.
3. The applicant must be eligible to return to his or her previous institution.
4. The cumulative GPA includes all work attempted, excluding remedial, high school, or duplicate courses.
5. Repeated courses are calculated within the GPA according to the standards and rules of the granting institution. When multiple institutions of higher education have been attended, Texas A&M University-Corpus Christi will use the highest repeated course grade in the grade point calculation.

Transfer Admission Priority Application Dates

Texas A&M University-Corpus Christi has rolling admission, however we encourage students to apply early to qualify for federal student aid and scholarships. To ensure full consideration, the completed ApplyTexas Application (for U.S. Transfer Admission) and all required documents and supporting material must be on file in the Office of Recruitment and Admissions by the following priority dates:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall Semester</td>
<td>July 1</td>

</tr>
</tbody>
</table>

Transient Admission

Students who are pursuing a degree at another college or university may be admitted as transient students if they provide proof of enrollment in good standing at their home college or university. Such students must complete an ApplyTexas Application (for Transient Admission) and submit an official transcript from their current institution of enrollment. Enrollment as a transient student is restricted to the summers or one long semester. Summer transient students must reapply each summer that enrollment is sought. Students admitted as transient students who later wish to pursue a degree at this University may do so by completing the regular admission process and meeting all admission requirements. International students cannot be admitted as transient students.

International Admission

International students (non-U.S. citizens) with outstanding academic records will be considered for admission. International students who seek admission to Texas A&M University-Corpus Christi must meet the following requirements:

1. Application and Fee: A completed ApplyTexas Application (for either International Freshman Admission or International Transfer Admission) and a $75 application fee are required.
2. Testing: Prospective students from other countries must demonstrate the ability to speak, write and understand the English language. Prospective students whose native language is not English must take the Test of English as a Foreign Language (TOEFL) examination or the International English Language Testing System (IELTS) examination unless:
   - The applicant completed a bachelor’s degree at a U.S. or Canadian institution of higher education, or
   - The applicant successfully completed two years of instruction (taught in the English language) at a U.S. or Canadian high school or college, or
• a minimum TOEFL IBT score of 73, or,
• a minimum TOEFL Paper-Based score of 537, or,
• a minimum TOEFL CBT score of 205, or,
• a minimum SAT Evidence Based Reading and Writing (EBRW) score of 550 (undergraduates), or
• a minimum ACT English score of 21 (undergraduates), or,
• a minimum PTE Academic score of 53
• A minimum IELTS Academic test score of 6.0 overall band for both undergraduate and graduate students (TAMUCC does not accept the IELTS General test), or,
• a minimum ITEP score between 3.5 - 3.9 for graduate students, or,
• Duolingo English Test and English3: TAMU-CC is temporarily accepting both the Duolingo English Test and English3 online assessments from applicants where TOEFL and IELTS exams are impacted due to Coronavirus (COVID-19) concerns. Applicants from affected countries may submit Duolingo English Test scores of 100 (105 on Duolingo English3) to satisfy English proficiency requirements.
• completing all four years in a high school within the U.S. and obtaining a subsequent U.S. high school degree (undergraduates).
• Cambridge C1 Advanced Proficiency Test (Cambridge CAE) of 175, or,
• Cambridge C2 Proficiency Test (Cambridge CPE) of 180.

The TOEFL is administered by the Educational Testing Service in over 200 centers around the world. A registration form and a “Bulletin of Information for Candidates” may be obtained by writing to:

TOEFL Registration Office
P.O. Box 6151
Princeton, New Jersey 08541-6151, USA

Applicants from the following countries will be exempt from the TOEFL or IELTS requirements:

American Samoa
Anguilla
Antigua and Barbuda
Australia
Bahamas
Barbados
Belize
Bermuda
British Virgin Islands
Canada (except Quebec)
Cayman Islands
Dominica
Federated States of Micronesia
Gambia

Ghana
Gibraltar
Grenada
Guyana
Ireland
Jamaica
Liberia
New Zealand
Nigeria
Saint Kitts and Nevis
Saint Lucia
Trinidad/Tobago
Turks and Caicos Islands
United Kingdom

Freshman international applicants must have their test scores for either the Scholastic Assessment Tests (SAT) or the American College Test (ACT) submitted to the Office of Recruitment and Admissions.

3. Transcripts: The University requires all transcripts from international high schools, colleges and universities to be evaluated by a certified evaluation agency approved by the Executive Director of Recruitment and Admissions. The evaluation report must be submitted by the agency to the Office of Recruitment and Admissions. A list of approved evaluation agencies is available from the Office of Recruitment and Admissions (http://admissions.tamucc.edu/).

4. Grade Point Average (GPA): A cumulative GPA of 2.5 for all work attempted at other U.S. colleges or universities is required.

5. Finances: The U.S. Citizenship and Immigration Services (USCIS) and Texas A&M University-Corpus Christi require all international applicants to provide an “Affidavit of Support” form certifying ability to finance study in the U.S. The Affidavit of Support must be completed with U.S. currency figures only.

6. Immunizations and Related Requirements: International students are required to have a tuberculin skin test or chest x-ray and must meet all immunization requirements.

7. Health Insurance: All international students (students who are not citizens or permanent residents of the United States) must be covered by the Texas A&M University System’s student health insurance plan or show proof of an equivalent insurance coverage. Students without insurance will not be permitted to register for classes. For information, contact the Coordinator of International Student Services.

International students should contact the Office of Recruitment and Admissions for further information on admission requirements for international students.

The admission application review will not begin until all required documents are received by the Office of Recruitment and Admissions.
An international student must be enrolled for a minimum of 12 semester hours during both the spring and fall semesters. An international student may not be admitted in undergraduate transient (visiting) or non-degree status. An international student sponsored by a program in a regionally accredited college or university may be admitted with the approval of the Office of Recruitment and Admissions.

International Student Advising
The Coordinator of International Student Services, located in the Office of International Education, oversees all academic and U.S. Citizenship and Immigration Services (USCIS) requirements of F-1 students attending A&M-Corpus Christi. International students are required to report to the Coordinator of International Student Services at the beginning of each semester to maintain accurate status and essential information. The Coordinator of International Student Services assists students with forms and paperwork required for optional and curricular practical training, changes on the I-20 form, change of status, reinstatement, and medical insurance.

For additional information regarding international students, contact the Coordinator of International Student Services in the Office of International Education at (361) 825-2258.

Postbaccalaureate Admission
A student holding a baccalaureate or higher degree who intends to seek an additional bachelor’s degree or an additional undergraduate major or minor, or who intends to take undergraduate course work required for Texas public school teacher certification, should seek admission as postbaccalaureate student. Postbaccalaureate students may enroll in undergraduate-level courses (numbered below 5000) only. The following documents are required as part of the application process:

1. A completed ApplyTexas Application form.
2. A nonrefundable $40 application fee.
3. Official transcripts documenting all course work taken at any regionally accredited college or university attended and the degree awarded at the completion of all coursework. Official transcripts must be submitted directly to Texas A&M University-Corpus Christi by the granting institutions.

High School Dual Enrollment
TAMU-CC offers high school students the opportunity to earn dual credit; a dual credit course is a class that awards both high school and college credit upon completion. High school students who wish to enroll at the University may do so if they are enrolled in the Islander Academy.

The Islander Academy allows high school students in Nueces County to take college classes at TAMU-CC. Students must complete an Islander Academy application. For more information see https://ucoll.tamucc.edu/Anchor%20Team/uphs, islander-academy.html

Qualifications for the Islander Academy:

- You must be a current high school student
- You must have the approval of your legal guardian/parent, your high school counselor and your high school principal
- You must enroll in a course selected from the list of approved dual credit courses for TAMU-CC
- You must be prepared to function in an adult learning environment
- You must meet the Texas Success Initiative (TSI) requirement for reading, writing and math skills prior to enrolling in courses or meet the exemption standards. (A high school student is also eligible to enroll in academic dual credit courses that require demonstration of TSI college readiness in reading, writing, and/or mathematics under the following conditions: if the student achieves a Level 2 final recommended score, as defined by the Texas Education Agency (TEA), on the English II State of Texas Assessment of Academic Readiness End of Course (STAAR EOC); or a combined score of 107 on the PSAT/NMSQT with a minimum of 50 on the reading test; or a score of 460 on the evidence-based reading and writing (EBRW) test on a PSAT/NMSQT exam administered on or after October 15, 2015; or a composite score of 23 on the PLAN with a 19 or higher in English or an English score of 435 on the ACT-Aspire. For Courses that require demonstration of TSI college readiness in mathematics: if the student achieves a Level 2 final recommended score, as defined by TEA, on the Algebra I STAAR EOC and passing grade in the Algebra II course; or a Level 2 final recommended score, as defined by TEA, on the Algebra II STAAR EOC; or a combined score of 107 on the PSAT/NMSQT with a minimum of 50 on the mathematics test; or a score of 510 on the mathematics test on a PSAT/NMSQT exam administered on or after October 15, 2015 or a composite score of 23 on the PLAN with a 19 or higher in mathematics or a mathematics score of 431 on the ACT-Aspire.)

High school students admitted under the Islander Academy will be advised by the Islander Advising Center. All students admitted into Islander Academy are subject to all Texas A&M University-Corpus Christi, Texas A&M University System, State of Texas, and federal rules and regulations applicable to degree-seeking students.

Students admitted under this program who wish to continue their degree with TAMU-CC following high school graduation must reapply for admission.

Readmission
Students who have a previous enrollment history with Texas A&M University-Corpus Christi but have not been enrolled for one (1) or more years are required to complete a new ApplyTexas Application. Re-enrollees who have not been enrolled in any postsecondary institution prior to the term for which they are applying and are in good academic standing with the University are eligible for admission.

Students who have enrolled at another institution prior to their return to the University are required to submit official transcripts from all postsecondary institutions attended since leaving A&M-Corpus Christi and must satisfy transfer admission requirements.

Texas Success Initiative (TSI)
The Texas Success Initiative is a state-legislated program that requires students to be assessed in reading, writing, and math skills prior to enrolling in a Texas public institution and to be advised based on that assessment. The Texas Higher Education Coordinating Board (THECB) has approved the TSI Assessment offered by College Board as the only acceptable assessment instrument for entering students. The
A student is exempt from the TSI if any of the following applies:

- The student has an associate or baccalaureate degree from an accredited college or university.
- The student, on a single test administration prior to March 2016, has an SAT composite score of 1070 with at least 500 on the Verbal (Critical Reading) and Math sections.*
- The student, on a single test administration on or after March 2016, has a score of 480 on the Evidenced-Based Reading and Writing (EBRW) test and a score of 530 on the mathematics test. (There is no combined score).*
- The student, on a single test administration, has an ACT composite score of 23 with at least 19 on the Math and English sections.*
- The student has an exit-level TAKS score of 2200 on the Math and a 2200 on the English Language Arts section with a 3 on the Writing subscore.*
- The students has a minimum score of 2000 (Level 2) on the STAAR English III EOC for reading or writing and a minimum score of 4000 (Level 2) on the STAAR Algebra II EOC.*
- The student was honorably discharged, retired, or released from active duty as a member of the Armed Forces of the U. S. or the Texas National Guard, or served as a member of a reserve component of the Armed Forces on or after August 1, 1990.
- The student has met the readiness standard at another Texas public higher education institution.
- The student transferred from an accredited Texas private institution of higher education or an accredited out-of-state institution with acceptable college-level course work determined by the receiving institution. Texas A&M University-Corpus Christi has elected to use the following course work with the grade of A, B, C, or Pass/Credit to meet the following standards:
  a. Math readiness standard – College Algebra [MATH 1314 College Algebra (3 sch)].
  b. Reading readiness standard - A three-credit hour course in history, political science/government, economics, philosophy, literature, or composition.
  c. Writing readiness standard – Composition I [ENGL 1301 Writing and Rhetoric I (3 sch)] or Composition II [ENGL 1302 Writing and Rhetoric II (3 sch)].

A student qualifies for a waiver from the TSI if one of the following applies:

- The student is serving on active duty in the Armed Forces of the U. S., Texas National Guard, or Reserve Component of Armed Forces and has been serving for at least three years preceding enrollment.
- The institution waives the TSI requirement for non-degree seeking students. (The student must complete a TSI waiver contract). At the point a student becomes degree-seeking, TSI standards must be met by the student.
- The student has successfully completed a college preparatory course under Texas Education Code §28.014 with one of our partnering school districts or institutions of higher education.¹

SAT, ACT, TAKS, and STAAR EOC scores are valid five years from the date of testing to the first day of enrollment in an accredited Texas public institution of higher education. After April 1, 2004, students holding the composite score on the SAT/ACT may be exempt from a portion of the TSI approved examination in the individual area in which they met the required score. Partial exemptions also exist for TAKS and STAAR EOC scores. Students must have both the required reading and writing TAKS score to be partially exempt from the reading and writing portion of an assessment. Mixing or combining scores from the SAT administered prior to March 2016 and the SAT administered on or after March 2016 is not allowable.

In regards to the college preparatory course, the waiver is good for a period of two years from the date of high school graduation with respect to the content area of the course. A student receiving this waiver must enroll in a college-level course in the exempted content area during the student’s first year of enrollment at an institution of higher education occurring after the student qualifies for the waiver.

For additional information, contact the Academic Coaching Program at (361) 825-4049 or the Academic Testing Center at (361) 825-2334.

**Academic Fresh Start Legislation**

The “Right to an Academic Fresh Start” legislation, passed by the 73rd Texas Legislature, entitles residents of this state to seek admission to public institutions of higher education as undergraduate students without consideration of courses undertaken ten or more years prior to enrollment. This law gives students the option of electing to have coursework taken ten or more years prior to the starting date of the semester in which the applicant seeks to enroll either counted as usual or ignored for admission purposes. Applicants who elect to apply for admission under this law and who are admitted as students may not receive any course credit for courses undertaken ten or more years prior to enrollment.

The intent of the “Fresh Start” legislation is to provide students with an opportunity to clear their academic records, if they choose to do so, of all college-level work accumulated ten or more years ago. Students may not pick and choose what is to be ignored and what is not. Either all college hours ten or more years old are ignored or they are counted.
Applicants interested in seeking a “Fresh Start” should contact the Office of Recruitment and Admissions.

Immunization and Related Requirements

Recommended Vaccinations

Students are encouraged to submit immunization records voluntarily in order to assure the availability of a more complete medical record while a student at Texas A&M-Corpus Christi. Student Health Services strongly recommends that every student, and their family members, review our updated list of immunizations most appropriate for university students. This list of recommended vaccines was compiled by the American College Health Association (ACHA) with assistance from the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention (CDC). See Recommended Immunizations (https://www.tamucc.edu/health-center/immunizations.php).

Tuberculosis Screening Procedure

Tuberculosis (TB) is a potentially life-threatening disease that has the ability to spread quickly in the close confines of classrooms and student residences on a university campus. Nearly one-third of the world’s population has the disease. Students from countries with a high incidence of tuberculosis (https://www.who.int/tb/en/) (as designated by the World Health Organization) and other students who have had extended visits to those countries are at a greater risk for carrying the disease. Of those with the disease, most have the latent form. Even so, on a college campus it is important to take precautionary measures.

TB Testing Procedure for Newly Admitted International Students

Texas A&M University-Corpus Christi (TAMU-CC), in consideration of the recommendations from the American College Health Association (April 2016), has developed a procedure for mandatory TB screening of newly admitted international students from countries where there is a high incidence of tuberculosis (https://www.who.int/tb/en/) (as designated by the World Health Organization).

All international students who apply to TAMU-CC will be asked screening questions during the application process. If a student is identified as someone who is at high risk for exposure to TB, a hold will be placed on their account and they will be contacted via email by the TAMU-CC Health Center so that they may begin a TB testing process, as outlined below. The student may enroll in the first semester of classes while being tested for TB but must comply with the procedure below in order to enroll in a second semester of classes.

- A newly admitted international student who is identified as in need of a PPD skin test will be required to provide proof of a skin test and reading to TAMU-CC Health Center (located in Sandpiper building) by the 8th day of class.
  - Students can take the PPD test at the TAMU-CC Health Center for a cost of $10\(^1\) or at the Nueces County Health Department for $15\(^1\). The test can also be taken at many pharmacies and physicians’ offices at the student’s expense.
  - The PPD skin test must be taken in the United States no more than six months prior to the start of the semester but after the visit or residency in the high-incidence country.
  - If the skin test is negative, the student is cleared and the TB Hold is removed from the student’s account.
  - If the PPD skin test is positive, the student must have a chest X-ray and provide proof of the X-ray to the TAMU-CC Health Center by the 12th day of class.

- In Corpus Christi, X-rays can be done as a walk-in patient at Radiology Associates, 5742 Spohn Drive (begins with Route 37 on the RTA bus from campus; involves transfers), or Radiology & Imaging of South Texas, 3226 S. Alameda Street (Route 5 on the RTA bus from campus; no transfers). Students can pay in cash for the X-rays (around $30\(^1\) at RA and $65\(^1\) at R&I) or present their insurance cards.
  - If the X-ray is negative, the student is cleared and the TB Hold is removed from the student’s account.
  - If the X-ray is positive, the student must make immediate contact with the Nueces County Health Department at 361-826-7247 for further testing. The Health Department is located at 1702 Horne Road (begins with Route 5 on the RTA bus from campus; involves transfers).

Non-compliance with the above TB Testing Procedure can:

- Cause serious illness and death.
- Result in disenrollment from the university.
- Affect a student’s ability to stay in the US on an F-1 or J-1 visa.
- Require intervention by a university official.

TB Testing Recommendations for Continuing Students and Faculty

It is recommended that students and faculty who travel to countries with high incidence of tuberculosis discuss their specific travel circumstances before the trip with a health care provider who can determine the appropriate evaluation. If a month or more is spent in the country, it is recommended that a TB skin test be conducted 4-6 weeks after returning to the US.

Bacterial Meningitis Vaccination Policy

In accordance with Texas Senate Bill 1107 (amended by SB 62, effective October 1, 2013), Texas A&M University-Corpus Christi requires all new students under the age of 22 to provide certified proof from a health practitioner that they have received a valid bacterial meningitis vaccination or booster within the last five years. Students must submit proof of vaccination or booster at least 10 days prior to the intended start of the term of enrollment.

A new entering student includes a first-time student of an institution of higher education or private or independent institution of higher education and includes a transfer student, or a student who previously attended an institution of higher education before January 1, 2012, and who is enrolling in the same or another institution of higher education following a break in enrollment of at least one fall or spring semester.
Students are strongly encouraged to obtain the bacterial meningitis vaccination before entering the United States or moving to the Corpus Christi area. A list of U.S. approved meningococcal vaccines is available: English (http://admissions.tamucc.edu/assets/CDC_Handout_vis-menising.pdf), Español (http://admissions.tamucc.edu/assets/CDC_Handout_sp_men05.pdf)

Important Facts about Bacterial Meningitis (https://www.cdc.gov/ meningitis/)

Students who fail to submit certified proof of vaccination or a valid booster within the required time frame will be unable to register for their intended term. Please note, vaccinations older than 5 years will require a booster and all bacterial meningitis vaccinations and boosters must be administered by a health practitioner authorized by law to administer an immunization.

Valid Proof of Vaccination
1. A complete Evidence of Vaccination against Bacterial Meningitis Form (http://admissions.tamucc.edu/assets/Evidence_of_Vaccination_Against_Bacterial_Meningitis_Form.pdf). Use this form if you plan to obtain your vaccination somewhere other than your personal physician’s office.
2. A document bearing the signature or stamp of the physician or his/her designee, or public health personnel (must include the month, day, and year the vaccination was administered).
3. An official immunization record generated from a state or local health authority (must include the month, day, and year the vaccination was administered).
4. An official record received from school officials, including a record from another state (must include the month, day, and year the vaccination was administered).

Valid Proof of Vaccination Exemption
1. An affidavit or a certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, in which it is stated that, in the physician’s opinion, the vaccination required would be injurious to the health and well-being of the student.
2. Conscientious Objection Form: An affidavit signed by the student stating that the student declines the vaccination for bacterial meningitis for reasons of conscience, including a religious belief. A conscientious exemption form from the Texas Department of State Health Services (TDSHS) must be used and can be downloaded from the following link: TEXAS DEPARTMENT OF STATE HEALTH SERVICES FORM (https://www.dshs.state.tx.us/immunize/docs/EF11-13140.pdf). Please complete following the instructions provided on the conscientious exemption form. Please allow several weeks for delivery.
3. The student is enrolled in a dual credit course which is taught at a public or private K-12 facility not located on a higher education institution campus; or
4. The student is incarcerated in a Texas prison.

Students are encouraged to visit their primary care provider prior to enrollment at the University. The cost of the bacterial meningitis vaccination may be less expensive in a student’s home country or through the student’s primary care provider. Students may also obtain the Meningitis vaccination or booster from their local County Public Health Department or other local pharmacies.

For medical questions concerning the meningitis vaccination or booster, students may contact the University Health Center Nurse Line at 361.825.5735. For questions regarding document submission and approval, students should contact the Office of Recruitment and Admissions at 361.825.2624.

All new students must receive the bacterial meningitis vaccination at least 10 days prior to the start of the intended term of enrollment.
