Upper-Division Hours

A minimum of 45 semester hours of upper-division credit (junior- and senior-level course hours) is required for the baccalaureate degree.

Major-Study Requirements

A student must attain a minimum of 30 semester hours in the major field of study, not including any coursework taken as part of the Core Curriculum Program. At least 18 of these 30 hours must be upper-division (numbered 3000 or above) courses. Some curricula or combinations of fields require more. Specific course and major-study hour requirements for each discipline are given in the discipline course listing section of this catalog. Please consult that section for specific requirements that must be met for each disciplinary major.

Minor-Study Requirements

To attain a minor in the School of Arts, Media & Communication, a student must complete the program designed for that minor. Each minor

consists of a minimum of 18 semester hours, at least 12 semester hours of which must be at the upper-division level. Some specific fields may require more. Only 6 semester hours that count toward a major may be applied to a minor or certificate. At least 9 semester hours in the minor must be taken in residence at A&M-Corpus Christi. The student must have an overall GPA of 2.0 in the minor field. Specific course and major-study hour requirements for each discipline are given in the discipline course listing section of this catalog. Please consult that section for specific requirements that must be met for each disciplinary minor. Requirements for interdisciplinary minors are listed in this section of the catalog.

Course Requirements

Students are expected to meet all course requirements indicated in the course syllabus.

Residence Requirement

The term "residence" is here defined as "coursework completed at the degree granting institution." To be granted a baccalaureate degree from A&M-Corpus Christi, a student must successfully complete at least 30 semester hours of upper-division coursework from this university. A minimum of 12 hours of these 30 must be in the major. Hours earned by credit by examination may not be used to fulfill the residence requirement. Hours earned through credit by examination at another institution will likewise not affect the residence requirement calculation.

Grade-Point Average

A minimum grade-point average of 2.0 ("C") on a 4-point scale in all work taken at this University is required for graduation. Additionally, a minimum grade-point average of 2.0 ("C") is required in all courses applied to the student's declared major field of study, and in all courses applied to any declared minor field of study for conferral of degree. Individual disciplinary fields, however, may set higher standards than the School minimum for their majors and minors.

Activity Courses

A maximum of 4 semester hours of Kinesiology activity coursework may be included as elective credit in the BA, BM, and BFA degree programs.

General Education Requirement

Students must meet the University's General Education requirements, which include the 42 hour core curriculum (see sections entitled "Undergraduate Programs (<http://catalog.tamucc.edu/undergraduate/undergraduate-programs/>)" and "Core Curriculum Program (<http://catalog.tamucc.edu/undergraduate/core-curriculum-program/>)") and First-Year Seminars.

School Language Requirement

All students majoring in degree programs offered by this School, other than the BFA in Art and specific concentrations under the BM in Music (Instrumental Teacher Certification, Vocal Teacher Certification, and Instrumental Performance) are required to take 6 college-level hours of a second language. Placement in a language course will be at the student's proficiency level as determined by an assessment test, if available at the College of Liberal Arts. Students may also obtain credit by any of the alternative means described below. Language means a language in the traditional sense, i.e., a language with a culture, such as Spanish or French. American Sign Language is accepted. Language does not include artificial or computer languages.

One may satisfy this requirement in one of two ways:

- earning a CLEP, AP, or ACTFL test score equivalent to one year of language study at A&M-Corpus Christi;
- successfully completing two semesters of a single foreign language at the University.

Spanish Placement Test

If students decide to meet this requirement by taking two semesters in Spanish at this university, they must take the Spanish Placement test prior to registering in order to enroll in the appropriate language course. The test will be used to determine whether the student should register for Spanish 1311, 1312, 2311, 2313 or any upper division Spanish classes. This test does not give you university credits, nor does it provide a waiver for the requirement. The test is free of charge to registered TAMU-CC students and can be taken from any computer with network access to TAMUCC's Learning Management System (LMS). After taking the test, students will be contacted via the LMS, My Grades. Soon after taking and submitting the test, students will be contacted with information about the most appropriate class for them based on their test results.

Students who score 1-40 will be automatically placed in SPAN 1311. Those who score 41-60 will be automatically placed in SPAN 1312. Finally, students with scores 61 and above will be evaluated by Spanish faculty, who will contact students with further information about appropriate course placement and registration.

Further information about the Spanish Placement Test can be obtained from the Spanish Program (<https://www.tamucc.edu/liberal-arts/departments/humanities/spanish/>) in the College of Liberal Arts or by visiting its web site under Spanish Placement Test (<https://www.tamucc.edu/liberal-arts/departments/humanities/spanish/placement-test-instructions.php>).

All ARAB, CHIN, FREN, GERM, and SPAN courses will meet this requirement.

Foreign students who have successfully taken the Test of English as a Foreign Language (TOEFL) may elect to choose English as their second language. English is considered to be the first language for all other students. Additionally, international and naturalized students who have provided proof of completion of high school in a foreign language (their native language) and who have successfully completed the English Composition and Oral Communication components of the University Core Curriculum Program may choose English as their second language to meet this requirement. English is considered to be the first language for all other students.

Degree Plan

The degree plan is the formal statement of requirements that must be completed before a degree will be granted. When the student is prepared to declare a major program of study within a particular discipline, the student should prepare a formal degree plan. It is recommended that the student have decided on a major program of study and prepare a degree plan no later than the second semester of the sophomore year. If the student is transferring into the University at a point after the second semester of the sophomore year, it is recommended that a degree plan be prepared during the student's first semester of residence.

Degree plans are reviewed and confirmed by a SAMC advisor. The University uses an online Degree Audit system. Any amendment must be approved by the Department Chair and the Office of the Director. All courses and requirements specified in the final degree plan audit must be completed before a degree will be granted.

Interdisciplinary Minors

The School offers the following interdisciplinary minors. Minors require a minimum of 18 semester hours beyond the Core, a minimum of 12 semester hours at the upper-division level, and a minimum of 9 semester hours in residence. See the alphabetized program listing for a description of the following interdisciplinary minors:
