The minor is designed to provide a foundation of business knowledge for students who want to complement a nonbusiness bachelor's program with a planned business program. Students who select the minor must establish a record with the academic advisor in the College of Business. Only 6 semester hours counted towards a major (including classes in the Business core) may be applied to a minor or certificate. A minimum of 18 hours is required for the minor. At least 12 of these hours must be taken at Texas A&M University-Corpus Christi. For additional information, contact the academic advisor in the College of Business.
